## FOREWORD

These two excerpts from the *Guide to Federal Electoral Districts* are intended for electors who vote under the Special Voting Rules – that is, Canadians living abroad, members of the Canadian Forces and incarcerated electors. The Guide helps to determine the electoral district in which the elector is qualified to vote at an electoral event. The Guide is published by the Chief Electoral Officer of Canada in accordance with the provisions of the Special Voting Rules, Part 11 of the *Canada Elections Act* (ss. 189, 210 and 254).

The lists in this publication will also assist electoral staff and the public in determining the electoral districts of specific localities and Canadian Forces bases in Canada.

Each chapter consists of an alphabetical list of localities and military bases, followed by the names of the corresponding province and federal electoral district.

The list of Canadian localities includes cities that cover more than one electoral district. Street indexes listing addresses and the corresponding electoral districts are published separately for these urban centres (see Appendix).

The electoral districts in this Guide are those established by the 2003 Representation Order. The names of the electoral districts are current to February 24, 2005.

## AVANT-PROPOS

Les deux extraits du *Guide des circonscriptions fédérales* présentés ici s'adressent aux électeurs qui votent en vertu des Règles électorales spéciales (les Canadiens résidant à l'étranger, les membres des Forces canadiennes et les électeurs incarcérés). Le guide leur permet de déterminer dans quelle circonscription ils sont habilités à voter lors d'un scrutin fédéral. Le guide est publié par le directeur général des élections du Canada conformément aux dispositions des Règles électorales spéciales, partie 11 de la *Loi électorale du Canada* (art. 189, 210 et 254).

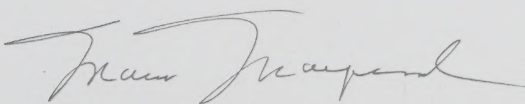

Les listes fournies dans la présente publication seront également utiles au personnel électoral et au public pour déterminer dans quelle circonscription se trouvent les diverses localités et bases des Forces canadiennes au pays.

Chaque chapitre est constitué d'une liste alphabétique de localités et de bases militaires suivies du nom de leur province et de leur circonscription fédérale.

La liste des localités canadiennes comprend des villes qui chevauchent plus d'une circonscription. Des indicateurs de rues, énumérant les adresses et circonscriptions correspondantes, sont publiés séparément pour ces centres urbains (voir l'annexe).

Les circonscriptions indiquées dans le guide sont celles proclamées par le Décret de représentation électorale de 2003. Les noms des circonscriptions sont à jour en date du 24 février 2005.

*Le directeur général des élections du Canada,*

Marc Mayrand  
Chief Electoral Officer of Canada
